Activities that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 80

Focus Occupation: Psychiatrists (29-1066)

Associated Occupation: Clinical, Counseling, and School Psychologists (19-3031)

Work Activities	Exclusivity of Activity
Communicate technical information	4
Follow confidentiality procedures	58
Interpret psychological test results	84
Obtain information from clients, customers, or patients	40
Use counseling techniques	60
Use grief counseling techniques	76
Use interpersonal communication techniques	10
Use knowledge of investigation techniques	16
Use psychological treatment techniques	92

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
